

Reception Summer Holiday Homework

Over the summer holidays, we would like you to complete projects based on the topics that you will be learning about. As part of our Science topic in the Autumn Term, Year 1 will be learning about **Ourselves** and for history you will be learning about the **Local area**.

Task 1 - ENGLISH: Your task is to write a weekly diary about your Summer holidays.

Every week, we would like you to write about:

- What you did?
- How you felt?
- Who did you do this with?

Remember to include: capital letters, full stops and use your phonics to help you write.

Task 2 - LOCAL AREA PROJECT: Your project is based on our local area! Your task is to go on a walk around our local area, Manor Park, and take pictures of what you can see. Create a profile/poster with the different pictures or observational drawings and label what you can see and where it was located.
Challenge: Can you say whether the places are newly built or years old?
 You can include pictures/drawings of: new and old library, flats/houses, restaurants, GP surgery, Dental practice, chemist/pharmacy, grocery shops, places of worship - mosque/church etc.

Task 3 - READING COMPREHENSION: Read the texts and answer the questions on paper or on Google Docs.

Week 1 - The Gingerbread Man

Week 2 - The Three Billy Goats Gruff

Week 3 - What Can You See by the Sea?

Week 4 - How does it feel?

Week 5 - Tim's Van

A reminder that the summer reading challenge is underway: <https://summerreadingchallenge.org.uk/>

Please write a book review on Google Classroom, so your teacher is able to track the variety of texts that you have read over the summer holidays. You can turn in on the assignments set.

Task 4 - MATHS: Focus on one concept each week. Provide some examples for your teacher.

<u>Week 1</u>	<u>Week 2</u>	<u>Week 3</u>	<u>Week 4</u>	<u>Week 5</u>
<u>Numbers up to 20</u>	<u>Number facts of 10.</u>	<u>Number facts of 20.</u>	<u>Number patterns</u>	<u>2D shapes</u>
-Order numbers -Compare numbers			-Counting in 2's -Counting in 1's -Counting in 5's	Create a picture with different 2D shapes.

Task 5 - SCIENCE- OURSELVES: We will be learning about 'Ourselves'. Your project includes creating a model of the human body. Label the different parts of the body and the five senses. You can use a range of materials available at home to help you make this model 3D.

Challenging thoughts: Will your model be of the inside or the outside of our human body?

**Please return your homework to your new class teacher on the first day back to school.
Have a lovely summer!**
