

## Topic - Week 6

As you know, London docklands has changed drastically over time and once was the largest port in the world. Since the 1980's, it has been redeveloped and converted into a mixture of residential and financial space. This is widely recognised now as Canary Wharf.

This week, your task is to draw a picture of what Canary Wharf looks like today. You must include detail and label the things you would find there. Think about transport links, buildings, shopping, food and drink, people that work there.

Visit this website to help you <https://canarywharf.com/>

## Topic - Week 7

This week your task is to design a poster of everything you have learnt about the London docks. Be as creative as possible. You can use paper or create one using a laptop. Try and include the following things below on your poster:

- facts
- pictures
- a title
- subheadings
- informative and eye-catching
- use different materials and resources
- diagrams
