

Y4 Summer Holiday Homework

Over the summer holidays, we would like you to complete projects based on the topics that you will be learning about. As part of our History topic in the Autumn Term, Year 5 will be learning about **Anglo Saxons** and for science you will be learning about the **Properties of Materials**.

Task 1 - ENGLISH: Research the Anglo Saxons, find out interesting facts about them and create a detailed fact file. You can include the following: **way of living, food, clothing, housing, culture, and storytelling.**

Use books from the library and visit this website or search for alternatives:

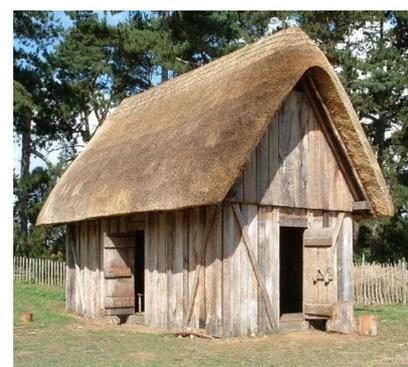

<https://www.bbc.co.uk/bitesize/topics/zxsbcdm/articles/zwjg2hv>

Visit the British Museum or use this link to take a virtual tour of Anglo Saxon history:

<https://www.britishmuseum.org/collection/galleries/sutton-hoo-and-europe>

Task 2 - ANGLO SAXON PROJECT: To complete this project, you will need to complete **4 tasks** from a range of curriculum areas. We expect it to be detailed and well presented. You are allowed to complete the tasks in any way that interests you. You can choose 4 of the following:

- Create or draw a piece/model of Anglo Saxon art.
- Read famous Anglo Saxon stories and write a book review.
- Write your own Anglo Saxon story/legend.
- Draw a storyboard for your Anglo Saxon story.
- Create a 3D Anglo Saxon home using recycled materials at home.

Task 3 - READING COMPREHENSION: Read the texts and answer the questions on paper or on Google Docs.

Week 1 - Digital Responsibility

Week 2 - If I Had Wings

Week 3 - The First Hominids

Week 4 - The Crime Solvers

Week 5 - Sir Billy Butlin

A reminder that the summer reading challenge is underway: <https://summerreadingchallenge.org.uk/>

Please write a book review on Google Classroom, so your teacher is able to track the variety of texts that you have read over the summer holidays. You can turn in on the assignments set.

Task 4 - MATHS: Work through the units in your Maths No Problem Book, completing each worksheet.

MNP BOOKS MUST BE RETURNED IN SEPTEMBER.

Chapter 8: Decimals	Chapter 9: Money	Chapter 10: Mass, volume and length	Chapter 11: Areas of figures	Chapter 12: Geometry
-------------------------------	----------------------------	---	--	--------------------------------

A reminder to practice your times tables on TT Rock stars:

<https://ttrockstars.com/>

Task 5 - SCIENCE: You will be learning about properties of materials. Create a collage of materials found in your house.

Identify the materials and their properties.

Please return your homework to your new class teacher on the first day back to school.

Have a lovely summer!

Materials and Their Properties
