

Y5 Summer Holiday Homework

Over the Summer holidays we would like you to complete a project on a topic that you will be learning about from September. You will get an opportunity to share your work to the class in the Autumn term and have it displayed. As part of our History topic in the Autumn Term, Year 6 will be learning about **Ancient Greece**. For the Science topic, Year 6 will be learning about **Classification and Variation**.

Task 1 - English Research - The Greek Gods

- a) Read different Greek myths and write a Greek myth. You may like to do this as a comic strip ready to display in class.
- b) Create fact files about three of your favourite gods.

Use books from the library and visit the website- primaryhomeworkhelp.co.uk

Visit the British Museum or their Ancient Greece online tour for children at www.britishmuseum.org/explore

Task 2 - ANCIENT GREECE PROJECT

To complete this project, you will need to complete 4 tasks from a range of curriculum areas. We expect for it to be detailed and well presented. You are allowed to complete the tasks in any way that interests you.

- Design a poster with the Greek alphabet
- Create a piece of Greek artwork
- Design your own mythical beast
- Create a Greek flag using material
- Make a Greek coin
- Create a Greek temple
- Create a traditional Greek toy suitable for a museum.

Task 3 - Maths - Work through the following units in your Maths No Problem Book

Chapter 11- Measurements	Chapter 12- Area and Perimeter	Chapter 13- Volume	Chapter 14- Roman Numerals	Workbook Revision/ End of Year Revision. Please complete all end of unit reviews.
-----------------------------	-----------------------------------	-----------------------	-------------------------------	--

Task 4 - Reading Comprehension

Fiction The Eagle of the Ninth	Non - Fiction How to Design the World's Best Roller Coaster?	Poetry Coral Reef and Island	Fiction Elephant Adventure	Non - Fiction Who are Refugees and Migrants? and What is Right and Wrong?
-----------------------------------	---	---------------------------------	-------------------------------	--

Task 5 - Science

How do we classify animals? Create a poster based on the different animal groups which are reptiles, mammals, birds, fish and amphibians. How creatively can you present your information?

The Summer Reading Challenge has begun! A reminder that the summer reading challenge is underway. <https://summerreadingchallenge.org.uk/> The Summer Reading Challenge website allows your child to keep track of the books they have read during the summer and beyond. Please write a book review on Google Classroom, so your teacher is able to track the variety of texts that you have read over the summer holidays.

Please return your homework to your new class teacher on the first day of the new term.
Have a lovely summer!
