

Reception

Holiday Homework

Record your work in your purple homework book.

Your book must be handed in on Tuesday morning after the holiday.

Our topic for the next half term is 'Growing'

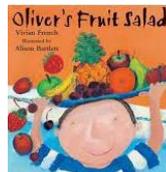

Children will be reading these exciting books. Click on the links and listen to them with an adult.

<https://www.youtube.com/watch?v=51wPJTsjxKE>

Listen to the stories.

Draw your favourite characters from the stories.

Write in simple sentences why they are your favourite.

You need to work on each of these activities every day.

Reading

Remember to read every day! Don't forget to log into BUG CLUB.

The details are in your reading record book.

It's really important to show your family how good you are at reading your book!

Practise reading all the high frequency words. (You will find the word list inside your reading record book.)

Spoken

Language

With your grown-ups try to make a model basket to hold some Easter treats! You could use an empty cardboard box and decorate it with paints or colourful Easter pictures.

Now the weather is so much warmer, try to go out for a walk in the sunshine. You could plan a picnic. What food could you bring? You could bring your teddies and dolls to join you. Look for insects hiding under rocks, logs or stones. Can you spot any unusual plants or flowers? Ask a grown up to take a picture then see if you can find out what it is when you get home.

Numeracy

1 2 3 4 5
6 7 8 9 10

We will be learning about repeated patterns. Can you make a repeated pattern with things you can find around the house or garden?

Collect 10 pieces of pasta, buttons or shells and use them to find different ways to make 10. How many ways can you find? For example 2 and 8 makes 10

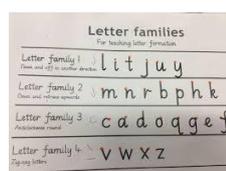

Remember to work on forming all your numbers correctly. Don't forget to look out for numbers in your local environment when you are out. for example, car number plates, door numbers and road signs. How many can you find?

Handwriting

Practise writing all the letters of the alphabet.

At Easter time lots of flowers start growing on the ground, in bushes and on trees.

The days are longer so we can spend lots more time outdoors.

Think of three things you would like to do with your family and write them in your homework book.

For example, go on a bike or scooter ride. go to visit a huge new park in another area, take a train ride to somewhere new, visit a zoo or just relax in your local park.

Have a wonderful Easter holiday.
