

Attendance, Attention and Achievement

Weekly Newsletter

Date: 16th September 2022

Dear Parents/ Carers,

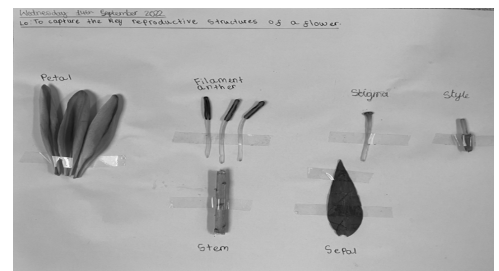

This has been a momentous week, as pupils adjusted to the new academic year. They have formed good relationships with their teachers, settled into routines and have continued to apply 100% effort to their work. They truly have displayed their commitment to the school ethos which is 'everyone challenged', 'everyone valued' and 'everyone achieving' in every aspect of their school life.

The Queen's Funeral

The state funeral of Her Majesty The Queen will take place on Monday 19th September 2022 in Westminster Abbey where 2000 guests have been invited to honour her life and reign. Afterwards, the coffin will be taken to Windsor Castle where she will be laid to rest with her husband Prince Phillip. This day will be recorded in history, but will also be a day to remember the work of Her Majesty for our country and the commonwealth. Therefore, the country has been given a bank holiday for all members of the nation to participate in this ceremonial occasion, alongside the royal family. **Due to the bank holiday, school will be closed on Monday 19th September and will reopen on Tuesday 20th September at 8:45am.**

Learning in our School

Throughout the week, pupils have worked tremendously hard to uphold the standards of Essex Primary School. Many have learnt about sentence structure, conducted investigations and learnt new timetables. In year 5, pupils had the opportunity of dissecting a flower for their science lesson, capturing the key reproductive structures of a flower. They enjoyed this practical lesson and it showed that we are living in Science!

Early Risers Club

Early Risers Maths Club resumes on Friday 23rd September 2022. Sessions take place every Friday for year 5 pupils. Year 6 pupils will be asked to attend during the Spring term. The club is designed to cater for children who have that flair for mathematics and would love to be pushed and challenged further into solving and investigating key mathematical problems for mastery and greater depth.

Star of the week (KS1): KS1 are extremely proud of the children's achievements.
