Weekly Newsletter

Dear Parents and Carers,

Forest School

During Forest School sessions this week pupils in Year 3 had a great time creating imaginative animals. They found leaves in various sizes and shapes, from heart-shaped leaves to oval-shaped and pointy leaves. The pupils used their imaginations to create stories around their animal designs. They made stories about where the animals lived and what they did. It was an enjoyable activity that allowed them to explore their natural environment. They learned about the diversity of nature and how to create something unique and fun using the leaves.

Year 3 visit to the Synagogue

This week, Year 3 embarked upon a journey to the Synagogue in Gants Hill, Ilford. The pupils took this opportunity to enhance their learning experience in RE lessons where they are studying Judaism. They attentively listened to the Reverend talk about experiences of Yom Kippur, Rosh Hashanah, Shabbat and Hanukkah. They were pleased to be shown the Holy Torah scriptures, which were written on elaborately designed gold and silver covered scrolls. Year 3 thoroughly enjoyed their experience and engaged in asking various questions about the religious practices and the duties of the people of the Jewish faith.

School Meals

The school has a temporary new chef who is leading the school kitchen in preparing school meals. We are working with him to ensure that the meals are healthy and taste good. The School Council and many parents have raised concerns with regards to the meals not being at the standard that they were at before. We have met the chef and Area Catering Manager today to discuss this and are taking measures to address everyone's concerns.
