Dear Parents/Carers,

Anti Bullying Workshop

This week, in preparation of Anti Bullying Week, the pupils took part in a workshop to increase their awareness of bullying. Pupils were able to understand the different types of bullying and how different behaviours can negatively affect others. The drama workshop was a success and enabled the pupils to use their learning to enhance their understanding. On Monday, we would like all the children to come in odd socks, so that they can 'MAKE A 'NOISE'.

Remembrance day

As a school we commemorated all those who have fought in various wars to keep our country safe. The school council represented our school in a tremendous way by being ambassadors at the Armistice Memorial event at the Newham Cenotaph. The pupils participated in laying wreaths in respect for those who sacrificed their life for peace. Throughout this trip, pupils began to reflect about the different countries who have experienced war and how others have fought for peace. So as a community let's reflect on the goodness and peace that we experience in this country.

Manor Park Schools Remembers - Manor Park Library

Two representatives from our School, along with Stephen Timms MP, Councillor Dawood, Councillor Jennifer Bailey and an array of schools from Manor Park paid homage to the fallen heroes of our community. Poems and stories were sensitively performed during the event to mark this important part of history. The poems and stories were written by Lesley Soloman, a local resident. Our pupils respectfully retold the true story of the Bethnal Green Tube Disaster, 1943.

Thames River Trust

This week, Year 5 have had the opportunity to participate in a Geography workshop, learning all about rivers. The pupils explored the River Thames, how everyday objects reach us here in the UK from different parts of the world, different trade routes crossing different oceans and pre-historic Thames. The workshop allowed the pupils to build on their geographical knowledge as well as explore the history of one of the largest rivers in England.
