

During the half term break, we would like you to complete projects based on topics that you will be learning about after holidays. As part of our Science topic next term, we will be learning about seasons. For Geography, the children will be learning about the UK and India. For Art, the children will be creating shadow puppets. We hope you have a lovely holiday from the year 1 team.

Science

In Science, we are going to be looking at seasons. Create a drawing/painting of seasonal changes.

Geography:

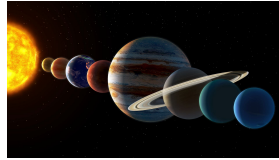

We will be learning about the UK and India, You will be learning about the countries in the UK, as well researching facts about India.

- We would like children to prepare 5 facts about India and the UK.

Maths

For maths, you will be using and applying numbers within 20. We would like the children to choose a number between 0 and 20. Once you have chosen a number, you can write the number facts to match the number.

- Log on to Splash Learn to complete the activities set.
