

## Year 2 Holiday Home Learning

### Science:

Welcome to your holiday science assignment! Your task is to become a "Material Detective" during this break. Explore your home and surroundings to identify and list different everyday materials you encounter. Create a collage or poster showcasing these materials. Label each item and categorise them based on whether they are wood, plastic, metal, fabric, or any other category you find suitable. Use your detective skills and observation to unlock the secrets of everyday materials around you!

### RE -

In RE, we are going to be looking at special books from different world religions. Your task is to choose a special book (e.g. Qur'an, Bible, Torah, Guru Granth Sahib, Gita etc.) and write about it.

You can think about:

*Why is it special to \_\_\_\_?*

*What is the purpose of the book?*

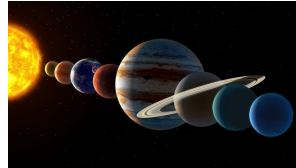

*When is it read by believers?*

### History

Next term, we delve into the captivating history of the Great Fire of London. Your task is to craft a Great Fire of London house using materials available at home—cardboard box, colored paper, and coloring pencils. Snap a picture or bring the 3D model to school **or** you could transport yourself back in time and script a diary entry as a person from that era—be it King Charles II or Samuels Pepys. Describe what you witnessed, your actions, losses, and emotions. Your imagination will illuminate this historical event. Have a fantastic time exploring this engaging topic!

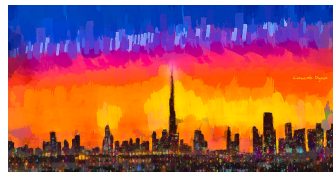

**Our Big Idea - Space Time**  
The story of our world and it's future

**Year 2 Theme - London**  
**Lives**

**Home Learning**

### Art

Create a drawing of the skyline as the sun sets one evening. Think about the colours you can use to depict the skyline / sunset.

### Reading

Read for at least 30 minutes every day! Visit the library and join the **Winter Mini Challenge**. Our text next term is Once Upon A Raindrop.

### English: Grammar

Using the website: <https://www.spag.com/>

your task is to complete the following tasks which have been set:

**TASK 1:** Terminology - Y2 (A)

**TASK 2:** KS1 SATs Grammar Test (A)

### English: Spelling

**TASK 1:** Review all the spelling rules that have been taught this term. You can access this in the spelling books.

### Maths

In Maths we will be learning about shape and measure. We will focus on length, mass and temperature. Then we will look at how to measure items, how to compare them and how to read measurements. Later on, we will study 2D and 3D shapes. Also, we will identify fractions of shapes and amounts such as halves, quarters and thirds.

Complete the tasks set on  
Splash Learn.

Complete NRich reasoning tasks set on Google  
Classroom.

**TTRS**

Practice your timetables.
