

Year 2 Holiday Home Learning

Maths

Next half term we will be learning about: temperature, pictograms, 2D shapes & 3D shapes.

Task 1: Produce a pictogram to show the colour of each car which passes your house in 5 minutes.

Give your pictogram a title and write facts about your pictogram. Remember to include a key. The key tells you how many things the picture represents.

Task 2: Collect items from around the house then sort them by their shape OR use different 2D shapes to make a picture.

Task 3: Complete the tasks set on SplashLearn.

Task 4: Practise your 2, 5 and 10 multiplication and division facts on Times Table Rockstars (TTRS).

Geography

To research the human and physical features of the United Kingdom.

Science:

We've been studying the uses of everyday materials, and in the upcoming term, we'll explore changes in shapes of solids. As a fun extension of our learning, we encourage you to create purposeful items from recyclable objects during the holidays. Whether it's a bird feeder from a bottle or a treasure chest from a box, use different recyclable materials and showcase your creativity. Enjoy your holiday homework!

Computing

We will be learning about how to stay safe online.

Task: Create a song or rap telling people how they can stay safe while using the internet.
