Dear Parents/Carers,

Reception Stay and Play Sessions: A Joyful Experience for Parents and Children

Reception's 'Stay and Play' sessions allow parents to actively participate in their child's early learning journey. These sessions give parents/carers valuable insights into their child's learning and development. One of the most delightful aspects of 'Stay and Play' sessions is witnessing the joy and enthusiasm shared between parents and children as they engage in various activities together. From building blocks to painting masterpieces, from imaginative play to sensory exploration, there is no shortage of fun and laughter during these sessions. Thank you to all the parents and carers for attending these sessions.

Commonwealth Day - The Guard's Chapel

This week, pupils of the Commonwealth Choir and Orchestra rehearsed, performed and recorded three songs at different events in central London. On Monday, the company performed at the prestigious Guard's Chapel, opposite St. James' Park and close to Buckingham Palace. This was part of Commonwealth Day, and our children were excited to be joined by other schools from across Newham whilst being accompanied by the Grenadier Guards (based at the Wellington Barracks). One of the pupils commented that he enjoyed singing the Commonwealth songs and meeting the band. Another pupil said, "It was good

singing and hearing the pitch and dynamics change; I also enjoyed this experience as we got to bond with other schools."

St. Paul's Church Knightsbridge – The Recording

Following the previous amazing day, four children had a further opportunity to attend another Commonwealth event at St Paul's Church, Knightsbridge. This enriched their lives through the opportunity to record three songs in conjunction with other schools. They all sang tunefully and listened to the musical directions given by the conductor. It was magical to see pupils' faces light up as they performed in such a magnificent religious setting; their voices reverberated and sounded angelic, harmonious, and rhythmic. One pupil said the recording made her proud because she had never experienced that before. As music is an integral part of the curriculum, it is a privilege to have enabled the children to experience this unique musical opportunity.

Year 4 Swimming at the London Aquatic Centre

'Everyone valued, Everyone challenged, and Everyone achieving' was most certainly the ethos that was embraced by all of year 4 during their swimming sessions over the last two weeks. Irrespective of any individual's ability, every child called upon their courage, determination and belief to progress in their swimming journey. Whether a child had swam before or if it was their first time, everyone achieved their individual goal by enhancing their swimming skills. The sessions built up to an exciting crescendo, when pupils and teachers called on their bravery to tackle the challengingly, fun obstacle course. We strongly encourage our amazing swimmers to continue their progress with this important life skill outside of school, as they enjoyed it tremendously.
