

Nursery Holiday Home Learning

Dear parents and carers,

Our topic for the next half term is 'Roots and Shoots'. We will read *The Very Hungry Caterpillar*, *Jasper's Beanstalk*, and *Oliver's Vegetables*.

We have given links to videos that show the story being read for you to share with your child. Please encourage your child to join in with repetitive phrases from the stories, listen out for rhyming words, make up their own stories and name different things they can see in the pictures.

During the holiday, please make sure your child practises writing their name. The first letter should be a capital letter, and the rest should be lowercase letters. Start with the first two letters and then gradually build up the name until they can write their whole name.

Support your child with recognising numerals so they can match the amount to the correct numeral. Also, talk about the shapes of everyday objects that you see in your home using words such as straight, curved, round, sides, and corners. Encourage your child to name the shapes: circle, square, rectangle, and triangle. Talk, play, and read with your child as much as possible.

Thank you for your continued support. Have a happy, safe and restful half-term!

The Very Hungry Caterpillar

In the spring, lots of flowers grow. Draw or paint a picture of a flower. What colours do you need? Remember to draw the stem, some leaves and some petals.

Bring your work back to school to share with your friends.

Have a happy, safe and restful holiday!
