

Year 2 Holiday Home Learning

Maths

Next term, we will be learning about fractions. Take pictures or draw pictures of fractions around you. This could be halves, quarters or thirds. You may ask an adult to help you to cut fruit, cakes and other food items to show your fraction.

Also:

Practise your 2, 5 and 10 times tables on 'times table rockstar' - <https://trockstars.com/>

Practise solving addition and subtraction equations using the method you are most comfortable with or that is the most efficient. This could be column method, number line method or drawing dienes (tens & ones).

Science:

Next term, in Science we will be looking at plants and what conditions are best for them to grow. During your Easter break we would like you to plant a seed and draw pictures of what happens to the plant over the next two weeks. The pictures can be drawings or pictures taken on a camera! You may choose to grow fruits/vegetables/flowers. Get planting!

Big Idea

INTERDEPENDENCE

Interdependence describes how living things and non-living things relate to and depend on one another.

YEAR 2 Spring 2

Home Learning 2024

D&T

Next term, in DT we will be creating our own space glove. Your task is to create a drawing or a model of an astronaut wearing a spacesuit. Discuss the different components of this space suit and the materials it is made from with an adult!

Reading

Read for at least 30 minutes every day! Visit the library and choose some books that interest you. Our text next term is Ice Bear.

Please log onto your Bug Club account and read the books allocated to you. Make sure you also answer all the questions along the way. www.activelearnprimary.co.uk/login?c=0
