

Before and After School Clubs

At Essex Primary School, we are dedicated to nurturing the holistic development of our pupils, extending learning opportunities beyond the regular school hours. Our array of before and after school clubs is designed to inspire, engage, and foster a sense of belonging among our students while honing their talents and interests.

Our clubs are scheduled both before and after the school day, allowing pupils to participate in activities that align with their passions and interests.

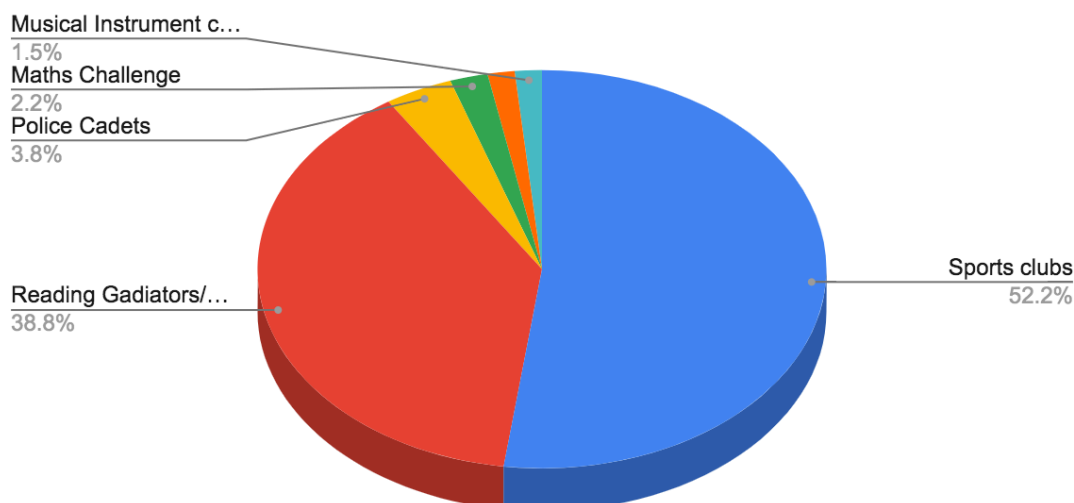

At the start of each term a letter via SchoolPing is sent home informing parents of the clubs on offer, the school does not charge parents for any of the clubs offered. The parents have the opportunity to book clubs via SchoolPing. Parents are then informed if they have been allocated the club they want – we will endeavour to give each child at least one of their choices but on rare occasions this is not always possible.

Clubs available for pupils at Essex:

- Sports Clubs (Football, Athletics, and more)
- Reading Gladiators/Warriors (Reading club for High able pupils)
- Wonder Maths Club
- Debate Club
- Musical Instrument sessions (Ukulele and Guitar club)
- Police Cadets
- French Club (Summer term)

We take pride in the high percentage of pupils who actively engage in our before and after school clubs. Out of 683 pupils, an impressive 536 attend at least one club during the school week, reflecting the enthusiasm and commitment of our school community towards holistic education.

% of Pupils attending Clubs (Spring term)

Spring term Data 2024	Total no: of pupils (on roll Y1 - 6)	Number of pupils attending at least one club	% of pupils attending at least one club
Whole School Clubs	683	536	78%
PP	198	94	47%
SEND	26 (EHC)	5	19%
SEND Support	90	14	15%
SEND	116	19	16%
