

Nursery Holiday Home Learning

Dear parents and carers,

Our topic for next term is Beautiful Beasts. We will read books about minibeasts. We have given links to videos that show the story being read for you to share with your child.

Listen to the story about minibeasts:

<https://www.youtube.com/watch?v=7Jnk3XApKBg>

<https://www.youtube.com/watch?v=I7aHXEsdfQ4>

Use this recipe and make some playdough. With the playdough, get your child to practise squeezing, rolling, and pinching the playdough. Can you make a minibeast? Can you describe a minibeast?

Name writing

During the holiday, **please make sure your child practises writing their name.** The first letter should be a capital letter, and the rest should be lowercase letters. Start with the first two letters and then gradually build up the name until they can write their full name.

Maths:

Support your child with recognising numerals so they can match the amount to the correct numbers. Practise ordering numerals and talk about which digit comes before or after.

You can ask your child to write numbers on a piece of paper (0 - 5) and then collect many objects around the house or draw that many lines/circles.

Thank you for your continued support.

Have a happy, safe and restful half-term!
