

Summary:

During the half term break, we would like you to complete projects based on topics that you will be learning about after holidays.

Science

In Science we will continue our topic about Animals including Humans. We would like pupils to create a poster based on ONE animal groups (reptiles, birds, mammals, amphibians, invertebrates, fish)

History:

Our new topic will be exploring the seaside during the Victorian times and now. We would like you to create a poster to explore the difference between the two. You can use pictures, captions and 'did you know..' fact boxes to make it more interesting.

Design and Technology:

Next term we'll be exploring Tinga-Tinga masks. For your homework we would like you to create your own mask! Think about what shapes and patterns you could use.

Maths

The units that we will be looking at this term are time, capacity, volume and space. We will begin the term by exploring time. We would like pupils to create a moving clock!

Our Big Idea Sustainability

Year 1 Theme - Wondrous Worlds

YEAR 1 Summer 1 Holiday Homework

Quote for the half term:

Always lend a helping
hand to those who need
it the most.

Reading

Read for at least 20 minutes every day!

<https://www.activelearnprimary.co.uk/login?c=0>

Check your understanding by answering the questions by clicking on the bug icon. You should also read the Oxford Reading Tree book.

Please write a comment in your child's Reading Record book about how they are progressing with their reading.

English: Spelling

TASK 1: To practise their spellings of their common exception words.

TASK 2: Practice spelling rules and patterns:

<https://spellingframe.co.uk>

English: Writing

In English we will be reading Jack and the Beanstalk. Your task is to write a book review on your favourite traditional tale!

Phonics:

Remember to revisit your phonics sound as you will have your phonics screening next term. Think about digraphs, trigraphs and your split sounds!
